Allison Champagne, DC

Objective:

Evidence-based Doctor of Chiropractic with nearly eight years of clinical experience seeking registration as a Qualified Medical Evaluator (QME) in California. Experienced in independently evaluating and managing complex musculoskeletal cases across private practice and Federally Qualified Health Center settings. Second-time practice owner with a strong background in clinical decision-making, objective assessment, documentation, compliance, and interdisciplinary communication, with a commitment to thorough, impartial, evidence-based medical-legal evaluations.

Licensure & Professional Credentials:

Doctor of Chiropractic — California
California Board of Chiropractic Examiners | License No. DC-35220 | Active
National Provider Identifier (NPI): 1861957482

Industrial Disability Evaluator Training
25-Hour QME Course | Scheduled August 27, 2026

Key Achievements:

- Founded, operated, and successfully sold a chiropractic clinic in Portland, OR after just 2.5 years in practice; managed all business operations, patient care, and clinical documentation independently
- Served as the sole full-time chiropractor for two high-volume clinics, including a federally qualified health center, providing care to diverse, underserved populations with complex musculoskeletal cases
- Demonstrated a consistent record of professionalism and reliability, including perfect attendance while serving as a sole full-time chiropractor and earning multiple quality and efficiency awards in a prior health-plan role.

Core Skills:

- **Medical Documentation & Compliance**
- **Evidence-Based Clinical Decision-Making**
- **Insurance & Claims Knowledge**
- **Interdisciplinary Communication**
- **Organization & Time Management**

Work Experience:

Pacific Beach Chiropractic PC
Owner and Chiropractor | May 2025 – Present

- Own and operate an independent chiropractic practice providing evidence-based evaluation and management of musculoskeletal conditions.
- Manage all clinical operations, including patient assessment, treatment planning, documentation, compliance, and coordination of care.

San Diego Community Health Center
Sole Chiropractor at FQHC | May 2024 – May 2026

- Provided chiropractic care within an interdisciplinary healthcare team including physicians, nurse practitioners, and acupuncturists.
- Evaluated and treated a diverse, underserved patient population, including Medicare and Medicaid patients, with a wide range of musculoskeletal conditions.
- Maintained accurate, HIPAA-compliant clinical documentation and communicated effectively across departments to support coordinated patient care.

Lemongrass Chiropractic LLC
Owner and Chiropractor | June 2021 – December 2023

- Founded and operated a solo chiropractic practice, independently managing patient care, clinical documentation, compliance, and business operations.
- Provided personalized, evidence-based chiropractic care while maintaining meticulous documentation and high patient satisfaction.
- Oversaw staffing, financial planning, and practice operations, achieving consistent 50–55% annual revenue growth and successfully negotiating the sale of the practice.

Alameda Family Chiropractic
Associate Chiropractor | February 2019 – April 2021

- Served as the clinic's sole full-time chiropractor, independently evaluating and managing a wide range of patient presentations and complex cases.
- Managed an average daily patient volume of 10–14 while maintaining consistent clinical documentation and patient-centered care.
- Maintained perfect attendance and demonstrated a consistent record of professionalism, reliability, and independent clinical responsibility.

Medica Health Plans | Minnetonka, MN
Health Plan Specialist II | May 2013 – August 2014

- Assisted Medicare members in navigating claims, benefits, and transportation services while providing clear and professional communication.
- Researched and resolved claim discrepancies while maintaining high standards of accuracy and compliance.
- Earned multiple quality and efficiency awards for professionalism, reliability, and work performance.
