

Anne Donohue MD PLLC

Experienced double board-certified clinical physician with over 25 years of experience in clinical medicine. I have 15 years of experience in Occupational Medicine treating injured workers in multiple states. I have experience in both in-person Family Medicine as well as Family Medicine telemedicine. I have an excellent knowledge base in Family Medicine and Occupational Medicine and have used this to perform over 500 disability chart reviews to determine functional capacity for private disability insurers. I have expertise in determining functional capacity in both injured workers and patients with general medical conditions that adversely impact ability to work. I have extensive experience managing litigated and complex WA L&I claims as the attending provider and have worked with workers compensation attorneys. I have performed over 30 impairment ratings as the attending provider for Washington L&I. I am on the WA L&I IME examiner panel. I am an Occupational Medicine expert.
