

Ardeshir Edward Nadimi. M.D.. FAAD. FACMS

1. PERSONAL INFORMATION

A. Employment:

Jan 2025-Present Founder, Dermatologic Arts, PC, Marina Del Rey, CA
Jan 2023-Present Founder, Mohs Surgery & Dermatology, LLC, McLean, VA
Nov 2021-Present Mohs micrographic surgeon/Dermatologist, US Dermatology Partners, Centreville, VA

B. Education:

Fellowship Scripps Clinic/Scripps Green Hospital, Micrographic Surgery and Dermatologic Oncology, La Jolla, CA, July 2020-June 2021 , Director: Hubert T. Greenway, MD

Residency Georgetown University Hospital/MedStar Washington Hospital Center, Dermatology, Washington, DC, July 2017-June 2020, Chair: Vesna M. Petronic-Rosic, MD, MSc, MBA

Internship Georgetown University Hospital, Internal Medicine, Washington, DC, July 2015-June 2016, Program Director: Michael Adams, MD

Medical Education Eastern Virginia Medical School, Norfolk, VA, August 2011-May 2015, MD

Graduate Education Georgetown University, Washington, DC, August 2008-June 2009, MS, Physiology & Biophysics

Undergraduate University of Virginia, Charlottesville, VA, August 2004-May 2008, BS Biology and BA Spanish Language

High School Thomas Jefferson High School for Science and Technology, Alexandria, VA, August 2000-June 2004, Governor's Diploma

C. Licensure:

State: California
License No: A 168788
Issuance Date: 05/14/2020 Renewal Date: 12/31/2026

State: Virginia
License No: 0101273136
Issuance Date: 09/01/2021 Renewal Date: 01/31/2026

State: Maryland
License No: D0096955
Issuance Date: 03/27/2023 Renewal Date: 09/30/2025

DEA
License No: FN3126883
Issuance Date: 07/12/2023 Renewal Date: 10/31/2026

D. Certification

Board Certified, American Board of Dermatology, Renewal Date: 12/31/2030
Board Certified, Micrographic Dermatologic Surgery, Renewal Date: 12/31/2031
Passed, USMLE Step 1, Step 2 CK/CS, Step 3

E. Other Certification:

American Heart Association BLS, ACLS Certified, Renewal/Expiration Date: 04/2023
CITI Basic Course Human Subjects Research, and Conflicts of Interest Certified, Renewal/Expiration Date: 08/03/2023
Institute for Healthcare Improvement Basic Certificate

F. Other Employment:

Associate Property Manager, New Holland Investment Group, LLC, McLean, VA, 2006-Present
SAT I/II and AP Subjects Tutor, C2 Education, Inc, McLean, VA, 2005-2008

G. Languages Spoken:

English (Native), Persian/Farsi (Native), Spanish (Fluent)

2. RESEARCH AND SCHOLARLY ACTIVITIES

A. Publications:

i. Original Papers in Refereed Journals

Nadimi AE, Bagsic S, Prosser M, Greenway HT. Reasons for Mohs micrographic surgery cancellation: A retrospective one year analysis in a tertiary care clinic prior to the COVID-19 pandemic. *Dermatol Surg.* 2022 Feb 1;48(2):252-253. doi: 10.1097/DSS.0000000000003291. PMID: 34889216.

iv. Research

Dermatology Research Fellow, Ali Hendi, MD, FACMS, FAAD – Chevy Chase, MD. Oct 2016-Jun 2017. Conceptualized and published a retrospective case series on ~7,000 Mohs micrographic surgery (MMS) patients, including IRB approval. Published case report and review of the literature on penile squamous cell carcinoma treated with MMS. Learned surgical and office management techniques.

Clinical Research Coordinator, Dana Farber Cancer Institute, Lab: Geoffrey Shapiro, MD, PhD. Jun- Aug 2012. Screened and tracked cancer patients in Phase I/II clinical trials of investigational new drugs (INDs) as Clinical Research Coordinator in Early Drug Development Center. Performed in-house study to streamline archival tumor tissue request process.

Research Assistant II, Georgetown University Department of Microbiology, Lab: John Casey, PhD. 2011. Used High Performance Liquid Chromatography (HPLC) to analyze hepatitis delta virus (HDV) protein mutants to elucidate normal HDV protein functions.

Research Assistant II, University of Virginia Department of Microbiology, Lab: Marie-Louise Hammarskjold, PhD and David Rekosh, PhD. 2009-2010. Performed nuclear export factor protein study in human retroviruses lab. Used cell culture, ELISA, IHC, fluorescence microscopy, Western blot, plasmid DNA isolation/purification, and some small animal surgery.

Research Assistant I, University of Virginia Division of Asthma, Allergy, and Immunology, Lab: Thomas Platts-Mills, MD, PhD. 2006-2007. Purified and analyzed cat and dust mite allergen from patient bed liners to identify benefits of woven liners. Data collected was presented in Letter to the Editor of the Journal of Allergy and Clinical Immunology, Oct 2007.

v. Media

Rhodes V. Former EVMS Dean makes the case for scholarships. EVMS Magazine. 2013 Nov 1; 5(3):36. Annas T. Concert at EVMS brings health and music together. The Virginian-Pilot. 2013 Apr 7.

Rawlison M. 97.3 The Eagle Inside Hampton Roads. 2013 Mar 31.

Kimm M. Students honored for community service. McLean Connection. 2004 Feb 24.

B. Research Funding:

Agency: Washington, DC Dermatological Society

Title of Project: Facial Basal Cell Carcinoma in Patients Under 40 Dates of Project Period:

2017-2018

Corresponding PI: Ali Hendi, MD

Total Direct Costs over all years of award: \$2,500

Total Indirect Costs over all years of award: \$0

Total Direct plus Indirect Costs over all years of award: \$2,500 Role on Project: Co-Principal Investigator

Description: As co-principal investigator on this award I set out to answer a hypothesis, submitted the IRB, designed study parameters, extracted data from the electronic medical record on all patients, re- classified data, interpreted data, and wrote the majority of the manuscript.

C. Invited Lectures:

Resident Procedure Demo Day Lecture, "The Science Behind Neuromodulators and Fillers", Georgetown University Hospital/MedStar Washington Hospital Center Department of Dermatology, Washington, DC. 2018 Aug.

Keynote Address on Professionalism, Eastern Virginia Medical School Incoming Student Orientation, Norfolk, VA. 2014 Aug.

3. TEACHING, MENTORING, AND ADVISING

A. Teaching:

Clinical Assistant Professor, Department of Dermatology, George Washington University School of Medicine & Health Sciences, 2024-Present

B. Mentoring:

Name of Mentee: Farinoosh Dadrass

Dates of Mentorship: 2017-Present

Outcomes: Accepted to medical school and dermatology residency

Name of Mentee: Jeffrey Goodwin

Dates of Mentorship: 2013-2014

Outcomes: Organized large-scale annual Community Care Day at Eastern Virginia Medical School

4. SERVICE

A. Regional

Resident Coordinator, Atlantic Dermatology Conference, 2020. Regional dermatology conference with several hundred attendees.

B. Department

Organizer, Georgetown University Hospital/MedStar Washington Hospital Center Department of Dermatology Wellness Committee Team Steps Challenge, 2019

Co-Director, Dermatology Resident Procedure Demo Day Curriculum, 2018-2019

C. University

Chair, Pan-Student Council, Eastern Virginia Medical School, 2014-2015. Elected by

representatives of each degree-granting program to lead the student governance body. Oversee a budget of \$30,000. Organize and preside over monthly meetings to set school-wide priorities, plan large-scale events and student wellness initiatives, run the biannual club fair, vote on initiating student clubs. Interface with Offices of Development, Alumni Relations, Student Affairs, and the President. Sit on EVMS Board of Visitors.

National Student Liaison, Association of American Medical Colleges (AAMC) Student Surveys Advisory Group, 2012-2015. Selected as single medical student nationwide to help design AAMC- administered surveys of students in US medical schools. Major projects include development of first-ever national survey of second year medical students (Year 2 Questionnaire) to assess climate and culture of medical education. Attend monthly tele-conference and bi-annual national conference.

Lead Organizer, Eastern Virginia Medical School Community Care Day, 2013, 2015. Spearheaded organization of large-scale community service event, including health screenings (vision/Lions Eye Bank, dental, skin cancer, blood pressure, blood glucose, lipids), health information booths from 30+ clubs and outside organizations, high school science fair, and outdoor activities. Enlisted 150+ volunteers and allied health professionals, and TV, radio, and newspaper coverage. Introduced healing through the arts via music stage collaboration with local Tidewater Arts Outreach.

National Representative, AAMC Organization of Student Representatives, 2011-2015. Elected to four- year position. Member of EVMS LCME Reaccreditation Oversight Committee, helped to create student satisfaction survey and 30-page analysis included in the official LCME report, resulting in successful eight-year school reaccreditation (2011-2012). Spearheaded AOA Medical Honor Society Visiting Professorship and Internal Medicine Grand Rounds by nationally renowned speaker on pharmaceutical industry practices (2011-2012). Directed minority recruitment fairs for aspiring medical students at national AAMC conferences in Philadelphia (2013) and San Diego (2014). Helped organize Joining Forces Wellness Week (2013).

Student Ambassador, Eastern Virginia Medical School, 2011-2015. Attend large-scale events, give tours to donors, greet dignitaries. Presided over and emceed retirement ceremony of former EVMS President Harry T. Lester on April 11, 2013.

Student Liaison, Norfolk Academy of Medicine, 2012-2014. Represented voice of EVMS students to local medical society. Lobbied in Richmond, Virginia on behalf of Virginia physicians and medical students. Provided networking opportunities for medical students. Attend monthly business meetings.

Member, American Medical Association Committee on Medical Education, 2012-2013. Functioned as think-tank, developed reports and resolutions on medical education topics. Developed cultural competency programming and case-based learning module "*Redefining Your Clinical Perspective: Cultural Competency in Patient Care*" for national AMA conference, Hawaii 2012.

Co-President, Operation Smile Club at Eastern Virginia Medical School, 2011-2013. Organized talks for medical students by surgeons. Raised funds for five cleft lip surgeries. Created research opportunities for medical students by affiliating with international headquarters in Norfolk, VA.

Medical Spanish Instructor, Eastern Virginia Medical School, 2011-2012. Taught fellow medical students. Helped organize framework of course available to all medical students for elective credit and medical Spanish certificate.

Spanish Language Interpreter, University of Virginia Hospital Pediatrics, 2007-2008. Completed more than 60 volunteer hours of direct contact between Spanish-speaking patients and English-speaking doctors.

Vice President, University of Virginia Persian Cultural Society, 2006-2007. Implemented Persian poetry readings, increased social gatherings, tea and pastries nights, and two large events (music, dramatic performances, and poetry readings).

D. Outreach

Volunteer, Innovative Skincare iS Cancer Care Program at Washington Cancer Institute, 2017. Served as physician-volunteer for facial/meditation/wellness/spa day treatment for cancer patients.

Grand Prize Judge, Fairfax County Public Schools Regional Science Fair, 2017.

Science Fair Judge, Thomas Jefferson High School for Science and Technology Science Fair, 2016, 2017.

Science Fair Judge, Arlington County Diocesan Science Fair, 2017.

Vision Screenings Outreach, Mattaponi Native American Tribe, 2015. Provided vision screenings including visual acuity, intraocular pressure, and retinal autorefraction to members of Mattaponi Native American tribe in King William County, Virginia, with G. Peyton Neatrour, MD, and Beach Eye Care staff. Provided prescription lenses. Referred at-risk patients for follow-up with ophthalmologist.

Tutor, University of Virginia I Have a Dream Program, 2005-2006. Tutored in local elementary school.

Volunteer Camp Counselor, Camp Boggy Creek, 2005. Free summer camp experience for chronically-ill children (HIV/AIDS, cancer, sickle cell anemia).

Co-Head Coach, Piedmont YMCA Boys Basketball, 2004-2005. Coached team of 13-14 year old boys.

5. HONORS AND AWARDS

Washington, DC Dermatological Society Resident Case Contest, "Persistent Mucositis and Blistering Eruption in an Otherwise Healthy 11-Year-Old Boy", 2019 (Third Place)

Cosmetic Surgery Forum 9th Annual Resident Contest with presentation to general session audience and automatic publication in Cutis journal, “Sparing Manhood from Partial Penectomy: More than Just Cosmesis”, 2017 (Top Ten)

American Academy of Dermatology 74th Annual Conference Poster Award, “Syphilis Presenting With Paraphimosis: Painless No Longer”, 2016 (Fourth Place)

Inductee, Arnold P. Gold Foundation Gold Humanism Honor Society, 2014

Jock R. Wheeler, MD, Endowed Scholarship, Eastern Virginia Medical School, 2012

School of Medicine Scholarship, Eastern Virginia Medical School, 2011, 2012

Essay Scholarship, Georgetown University, 2009

Hispanic Studies Fellowship, University of Virginia, 2008

6. PROFESSIONAL SOCIETY MEMBERSHIP

American Academy of Dermatology, 2017-Present

American College of Mohs Surgery, 2020-Present

7. INTERESTS

Mindfulness and meditation, playing basketball/tennis, hiking
