Professional Experience

Chiropractor
Live Long & Prosper Chiropractic LLC – Auburn, WA
2017 – 2026

- Founded and operated a successful family-based chiropractic practice specializing in structural correction, pregnancy, and personal injury care.

- Designed and implemented customized corrective care plans based on CBP protocols.
- Provided prenatal and pediatric care using the Webster Technique and ICPA guidelines.
- Utilized low-level laser therapy and soft tissue protocols to support recovery and wellness.
- Managed all aspects of practice operations, including patient care, EHR documentation, billing, and marketing.
- Built strong referral relationships with local medical providers, attorneys, and midwives.

Associate Chiropractor
Collins Chiropractic – Burien, WA
2016 – 2017

- Delivered chiropractic care to a diverse patient base using techniques including Diversified, Gonstead, and Thompson.
- Assisted in care planning for corrective and wellness-based treatment protocols.
- Gained foundational experience in personal injury documentation and case coordination.
- Contributed to patient education programs and community outreach events.
