

Dr. Haleh Ranjijfroody, D.C.

Objective

To empower individuals to achieve optimal health through root-cause diagnosis and personalized care. With extensive experience in chiropractic and functional medicine, I specialize in identifying the underlying factors behind chronic symptoms and providing natural, science-based solutions. As the founder of Be Beauty and Health, I am dedicated to integrating clinical care with compassionate education.

Professional Summary

- Doctor of Chiropractic since 2008 with over 14 years of experience in spinal manipulation, functional medicine, and clinical operations.
- Founder of Organic Telehealth Care and Be Beauty and Health—a multidisciplinary clinic integrating chiropractic care, functional medicine, medspa, and weight loss solutions.
- Expertise in diagnosing and managing Type 2 Diabetes, autoimmune conditions, hormone imbalances, and chronic inflammation through lab testing and patient education.
- Visionary leader and operations manager with proven success in scaling health businesses across the U.S. and Canada.
- Skilled in cross-platform marketing, podcast creation, team mentoring, budgeting, and patient-centered program development.

Professional Experience
