

Jenny Morey

Professional Summary

Accomplished licensed psychologist with 18 years of experience in clinical psychology and behavioral health leadership. Exhibits a strong record in clinical evaluations, meticulous report writing, and regulatory compliance. Adept at independent practice and navigating payer and legal interfaces, poised to bring expert medicolegal insights as an independent contractor in California.

Work Experience

Facility CEO

Discovery Behavioral Health | Southern CA

September 2025 to Present

- Directed all operations of a 72-bed inpatient residential mental health and eating disorder facility for adolescents, ensuring compliance with regulatory standards
- Partnered with corporate executives, HR, insurance companies, medical directors, and accrediting/licensing bodies to maintain quality and compliance
- Led operational and leadership teams to optimize clinical outcomes and program growth
- Developed and expanded clinical programs through strategic community partnerships

Executive Director & Regional Clinical Director

Pinnacle Healthgroup | Southern CA

June 2023 to Present

- Oversaw clinical operations across 4+ behavioral health facilities, including inpatient, outpatient, and residential programs for SUD, mental health, and forensic populations
- Built integrated systems ensuring ASAM compliance, billing integrity, and utilization and peer review coordination across all levels of care
- Strengthened payer relationships and streamlined clinical documentation to reduce reimbursement delays
- Led enterprise-level clinical training and development initiatives to enhance team performance
- Managed full-spectrum HR functions including recruiting, performance management, and investigations

Director of Clinical Services

Nsight Mental Health & Wellness

April 2022 to June 2023

- Managed clinical operations and project execution for adult mental health and forensic programs, reporting directly to the CEO
- Enhanced clinical outcomes through team-based admission reviews, assessments, and utilization approvals
- Scaled team performance via targeted training and operational realignment
- Directed hiring and termination processes and facilitated integration with community partners

Licensed Clinical Psychologist Orange County Health Psychologists

July 2021 to July 2022

- Delivered direct patient care for complex mental health cases using evidence-based therapies
- Managed a caseload of 25-30 patients weekly, ensuring high-quality clinical documentation
