

Jack Tunzi DDS

Work Experience

Dental Consultant

Jack V Tunzi DDS INC-Burbank, CA
January 2017 to Present

Review of dental claims and pre-authorizations using clinical narratives, digital x-rays and clinical photos. Work with dedicated support staff to expedite treatment payment requests and provider requests for treatment. Communicate with contracted dental office providers to secure additional information/clarify questions regarding claims and pre treatment requests and utilize that information to approve payments or request for needed treatment. Communicate with Insurance administrators to review and update CDT codes and revise fee schedule.

General Dentist

Jack V Tunzi DDS Inc-Burbank, CA
