Research in progress: IV propofol to abort migraine headaches

TEACHING

Asst. Professor, Internal Medicine Dept, **Creighton University School of Medicine**, teaching medical students and residents	2015-current
UCLA Orthopedic & Neurosurgery Spine Grand Rounds Conference Member	1999

NOT YET RETAINED

Asst Prof of Anesthesiology & Pain Management, LA State University 1994-1999
Asst Prof, Univ of Rochester School of Medicine 1990-1992
Many lectures/presentations to academic, professional, public organizations

RESEARCH

Long Covid loss of taste, smell treated with stellate ganglion blocks
Minimally invasive Sacroiliac fusion as alternative to major stabilization surgery
Qutenza topical capsaicin for post-op pain control
Spinal cord stimulation for intractable angina
Use of Simplicity Probe for Sacroiliac Joint Radiofrequency Ablation
IV Propofol for abortive treatment of intractable migraine headaches

PROFESSIONAL CAREER

Asst. Professor, Dept. of Internal Medicine, Creighton Univ School of Medicine
Voluntary, one-month rotations teaching internal medicine residents
8/2021 to present

THINK, Whole Person Healthcare
Staff member, Pain Management Provider
7100 W Center Rd, Omaha, NE 68106
2020 to present

Pain West Spine and Pain Center (closing)
701 Pinnacle Dr, Suite 105, Papillion, NE 68046
3/2025 to 3/26
