

Objective

I am an organizational psychologist with an enterprising spirit seeking an opportunity to transfer my psychological assessment and business analysis skills to a consulting role. I am uniquely skilled at navigating organizational challenges from the perspective of both a California business owner and licensed psychologist.

Employment

2023 to present LIFESTANCE HEALTH

Psychotherapy with general adult outpatient population.

2005 to 2022 MANAGING OWNER / FRANCHISEE

Successfully orchestrated the sale of the business in 2022 after increasing revenue over 900%. This was achieved by recruiting and training new employees and implementing more effective sales and marketing strategies.

Demonstrated ability to prioritize, provide effective leadership, and direction for the following: HR, DEI, workers' compensation, logistical operations and efficiency, sales and marketing, business analysis, supplier diversity, and fiscal management.
