

Dr. Naomi Sakin, DC, CICE

PROFILE SUMMARY

Results-oriented Chiropractic Physician with 20 years of experience in patient care, treatment planning, and practice management. Highly skilled in conducting Permanent and Partial Disability (PPD) examinations, determining impairment ratings, and producing clear, sound reports that support fair claim resolutions. Adept at performing comprehensive physical evaluations, analyzing medical records, and delivering objective findings in workers' compensation, personal injury, and private insurance cases. Strong expertise in wellness, sports rehabilitation, and injury management, ensuring optimal patient outcomes through precise chiropractic care, functional assessments, and health counseling.

PROFESSIONAL EXPERIENCE

Trajector Medical Contract Physician December 2024-May 2025

- Signed medical nexus letters as a musculoskeletal expert to support veterans' disability evaluations.
- Reviewed nexus letters and supporting documentation to confirm consistency between the reported condition and relevant clinical evidence.
- Worked independently in a time-sensitive environment, consistently meeting deadlines.
- Sought clarification on procedures and case materials when necessary to maintain precision and uphold professional standards.
