Rayna E. Ben Moha
San Diego, CA 92122

Summary
Board-eligible/internal medicine physician with diverse acute-care and primary-care experience across hospitalist, inpatient specialty, and outpatient settings. Former U.S. Air Force Security Forces instructor with 11 years military service, proven operational leadership, large-scale training, and crisis-response experience. Clinical strengths include high-acuity inpatient management, transitions-of-care, preventive medicine, and multidisciplinary coordination — aligned to military clinic/hospital readiness and standards.

Core Competencies
- Inpatient hospitalist care | Primary care & preventive medicine
- High-acuity management: across various levels of care
- Leadership, supervision, training & curriculum development
- Triage, emergency response, crisis management, operational readiness
- Discharge planning, care coordination, utilization management
- EMR proficiency, documentation & regulatory compliance
- Quality improvement, protocol development, public health operations

Clinical Experience

Physician

Southern California Permanent Medical Group — Internal Medicine Physician
