

Wyndy Bailey

Psychiatrist

PROFESSIONAL SUMMARY

Hard-working professional with years of experience in psychiatry. I completed my residency in LA, allowing me to gain experience with a diverse range of patient populations. I have worked at many different sites ranging from the VA to county and private hospitals. I have extensive experience with Telepsychiatry as well. I have been exposed to many EMR systems (CPRS, EPIC, Power Chart, Avatar). My varied experiences have conditioned me to adapt quickly to different work environments. I look forward to the opportunity to utilize my abilities to serve the mental health needs of the community.
